Charming village house of over 84 m2 in Jalón. A typical Spanish Townhouse totally restored retaining all the charm of yesteryear, like the stone walls or the old stables. The accommodation comprises of the following, hallway, living room, courtesy toilet, nice open kitchen with dining room. Interior courtyard and the old stables converted into a tow double bedrooms but it will be possible to make an independent apartment because they left all the connections to build a shower room and an small kitchen. From the lounge, the Spanish staircase gives access to the first floor with two double bedrooms, family shower room and a nice terrace overlooking the yard. The house enjoys of double glazed aluminium windows, wooden beams, stone decoration and rustic floor tiles. The viewings are recommended to appreciate the nice used marterials at the

refurbishment.
